

Application to Attend

Community Nursing Services Medical Trip

Each year our Community Nursing Services team (CNS) plan a medical trip to a country that is in need of care. These trips are a great way to gain experience in your field and to build relationships with your colleagues. Teams are selected from submitted applications and selected by the CNS Committee.

For more information, visit the CNS website at www.CommunityNursingServices.ca

Before you apply, please understand the following:

- CarePartners offers financial assistance to each selected member of the team
- Expenses above and beyond financial assistance must be covered by the team member
- The time away from work is to be considered vacation time or unpaid days off
- Spouses are welcome to attend but will not be eligible for CarePartners financial assistance
